The screenshot shows a software application window titled "Product One". The window has a sidebar on the left with "Application" and "Custom" sections. The main area contains a form with the following fields:

- Id: PROD1
- Unit Price: \$15.00
- Description: Product One
- Manufacturer: (dropdown menu)
- Active:

At the top right of the form, there are buttons for "Save" (a green checkmark icon), "Cancel" (a red X icon), and "Refresh" (a green circular arrow icon). A red circle with a white arrow points to the "Save" button. Below the form, there is a "Parts" section with a "New" button (green plus icon) and a "Delete" button (red minus icon). At the bottom, there is a table with columns "Part" and "Active".
